

HARD MAPLE FSC®-CERTIFIED

ORGANIK SERIES

It's unique. It's stunning. And it's completely natural. No one has brought to the surface of maple hardwood its inherent beauty the way we have. Through our new, breakthrough process we have unlocked maple's exquisite grain patterns, textures and mineral streaks.

Combined with rich neutral shades and a warm-glow finish, this floor offers an astonishing design that will evolve to even greater elegance over time.

HARD MAPLE FSC®-CERTIFIED, CHIC GRADE
